AFRICA 2021

Greetings in Christ friends! By God's grace, Mark, Renee & Garrett are returning to Uganda & Kenya for three weeks this coming June and July (6/13 - 7/5). We are excited to be returning, and we give God thanks for allowing us into Africa after all the COVID concerns. God's ways and timing are always best. What hope we have in Him through Christ!

We ask that you diligently pray with us. We will be ministering in western Uganda with Mathias Mulumba and **Father to the Fatherless (F2F)**, and in eastern Uganda and northern Kenya with fellow pastors and leaders that have been part of the **Monument Leadership Institute (MLI)**. The emphasis of this trip is **LIVING & SHARING THE GOSPEL**. Like here, the Gospel in Africa has become negatively influenced by religious works and the prosperity gospel delusion. The need to re-establish the purity of the gospel and its biblical basis is greatly needed. Outreach will also take place in some Muslim communities. Of course, during these trips, we cherish the intimate and encouraging times of fellowship, worship, and prayer with our African brothers and sisters in Christ.

Donations- Because we are bringing more gospel-related materials, we are only collecting running shoes and reading glasses this trip. We are now set up to receive donations electronically (See info below**). Please contact us if you have any questions on how you may help.

John 3:16 Posters... We are printing and laminating hundreds of these posters in Luganda and Swahili. The posters are tools to share the gospel in their native languages. It often becomes a decoration on their home walls and a constant reminder of God's salvation. On our previous visit, we began using these posters and they were well received. Salvation came to these two homes last year!

The Lord, as always, has been faithful in leading and teaching us during these unusual times. Since our last newsletter, we continue to wait upon the Lord and seek His will from day to day. We are very appreciative of your loving and faithful prayers on our behalf. May the Lord strengthen and encourage your hearts to keep pressing on for Him!

The need for gospel strengthening of the disciples in East Africa is great and we appreciate your participation through your prayers. Satan's strongholds can only be overcome by the Blood of the Resurrected Lamb! Let us pray together for this, both here in America and Africa.

May we always...

“Rejoice in our confident hope. Be patient in trouble, and keep on praying!”*
