

OLD TESTAMENT/NEW TESTAMENT SURVEY DISCUSSION EXAM

1. Reviewing the Old Testament and New Testament hand out, along with the Scriptures, what makes the Abraham, Davidic and New Covenants so special? Also, what makes them different from the Mosaic Covenant or what we call the Law of Moses?
2. According to the scriptural passages reflecting on the Abrahamic, Davidic and New Covenants, what two words spoken by God guarantee these covenant fulfillments?
3. When you think of the human body as an example of the Scriptures, the Old Testament is like the skeleton, and the New Testament is like the flesh of the body. You can't have one without the other; discuss the importance of this concept.
3. In the early church, the resurrection of Christ was very important in their preaching. First of all, if there was no resurrection there is no what? And also if there's no resurrection there's no fulfillment of what?
4. From the book of Ephesians, discuss why mankind's salvation has to be through God's grace and work alone, apart from any good works that we could possibly do as sinners.
5. What covenant plays the major role in our life today, and why is it so important for us to know what covenant we are under?
6. Discuss Jesus Second Coming and why it should be so encouraging for us as believers?
